

LAURA ASHLEY

TILE COLLECTION

our STORY

The Laura Ashley tile collection is the perfect finishing touch for any room in the home, and has been designed to complement a wide range of Laura Ashley furniture and accessories, as well as paints and wallpapers. With coordinating ranges of patterned feature tiles, plain tiles and decorative borders you will be sure to find a look that's right for you.

From classic floral patterns and elegant damasks, to rustic high gloss tiles in a palette of soft, muted shades, the range epitomises the characteristic style and attention to detail that is synonymous with Laura Ashley.

To create this collection Laura Ashley have collaborated with the UK's leading tile manufacturer, British Ceramic Tile. The result is a range of beautifully designed and carefully crafted ceramic tiles, the majority of which are made in Britain.

MR JONES

WICKER

Mr Jones was initially introduced in 1984 by Laura Ashley herself. Although a classic design with historic influence Mr Jones fits comfortably with the current trends for geometric patterns.

Wicker's beautiful design is offered in deep charcoal and a lighter dove grey. This matt finished feature tile is perfect for creating a distinctive look, with its intricate and unique pattern.
